

Illinois State Medical Society Alliance

~ Physicians' Spouses Dedicated to the Health of Illinois ~

What is the Alliance?

The Alliance is the largest organization that represents the family of medicine in the United States. The Illinois State Medical Society Alliance, the American Medical Association Alliance and county medical society Alliances form a unified force to improve the health of our communities and support physicians and their families. The Alliance raises funds for scholarships, research, and grants, participates in health projects to improve people's lives in our communities, and protects the future of medicine through legislative advocacy.
